Before & After School Club

We are ideally located for Estfeld School. We are able to provide a walking service both to and from the school. Children can be dropped off in the morning from 8:00am. They can have breakfast with us and will be escorted to school with a fully qualified member of staff. Strict ratios, as set out by OfSTED, of staff to children are observed at all times and all members of staff carry mobile phones so that, if they should have any queries, they can deal with them promptly.

We also offer a collection service. Children can be collected after school, brought back to the Nursery for a tea time snack of sandwiches, wraps, beans on toast or whatever is on the menu on that day, milk, juice and biscuits and then given activities to keep them frantically busy until they are collected. In fine weather, the children are encouraged to play outside. Age appropriate toys have been bought specifically for the Before and After School Club. Children can come to our Before and After School Club up to the age of 8.
