### Questions that you should ask when visiting a Nursery!

1. What are their staff ratios and is the Manager supernumerary?
2. What qualifications do the staff hold? How many are unqualified?
3. How many of the staff are qualified first aiders?
4. What further training is offered to the staff while employed at the Nursery?
5. Do they have a set of policies? Can you see them?
6. Who prepares the meals and what qualifications do they hold?
7. What is their exclusion policy on illness?
8. Are regular fire drills carried out and are the children aware of what they are doing?
9. Will they assist with toilet training?
10. How are their activities differentiated to cater for the differing ages?
11. Will you be made aware if your child has an accident while at the Nursery?
12. Are developmental assessments carried out regularly?
13. Do they have Parents Evenings?
14. How do they go about forming a partnership with parents?
15. Is there a newsletter?
